Happy New Year

MONTH IN A MINUTE

Happy new year to you all! We are excited for our 2025 plans to support our regional Radiology workforce with research.

Reflecting back on the month of December, we visited Radiology teams at Sunderland Royal Hospital, RVI & Freeman Hospital. Many thanks to those who popped along to our drop-in session, it was so nice to meet you all.

We have also been busy working on our Regional research strategy, as well as our regional survey report.

We have been planning our January drop in sessions (please see more details below):

January's drop-in sessions dates:

-  **South Tyneside Hospital, 14th January**
Ingham Wing Conference Room, 11:00-1pm
-  **Cumberland Infirmary Hospital, 15th January**, Reporting Room, 11am-1pm
-  **Queen Elizabeth Hospital, Gateshead, 21st January**, Breast Screening Seminar Room, 11-1pm

Our drop-in sessions throughout Decemer: Thank you STSFT and NuTH!

Bitesized recordings by RadResearch Team at Imperial College

Bitesize Learning

1. Clinical Academics in Research

2. Funding opportunities for Research

Many thanks to the RadResearch team at Imperial College for allowing us to share their new YouTube recorded training sessions (specifically for Radiology research).

You can find these on our new section of our NHS Futures page: Bitesize learning. The following topics are covered:

- **Clinical Academics in research**
- **Funding opportunities for research**
- **Radiographer Research Skills Development Framework**
- **Audit, Service Evaluation & Research**
- **Starting your research journey**
- **Starting and Growing Your Research Career Q&A event, 18 November 2024**

Find out more about the RadResearch team on their Imperial College webpage.

Upcoming events!

RadResearch Conference Leeds 12th March

Curious about research?
Looking to enhance patient
care? Have new ideas or
looking for further inspiration?

Join us for an exclusive, FREE
conference organised by
RadResearch, the NIHR-
supported Incubator for
Diagnostic and Therapeutic
Radiographers. Ignite your
passion for research and
professional growth with a day
full of inspiration and learning

Register to attend via the link
on our NHS Futures page.

Check out more upcoming events
and training on our 'Events'
section of our NHS Futures page.
There is lots going on throughout
2025!
