

# NENC Radiology Research

Edition 1: September 24

**Newsletter**

## WELCOME

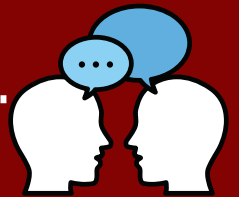

Welcome to our first newsletter, a space for all things Radiology research in the North East & North Cumbria.

We will be sharing educational research resources, upcoming training, funding & events, as well as showcasing Radiology-led research in our region!

Please get in touch with Georgia & Clare via email to share any news on future newsletters or on our sites!

We want to hear from you!

Scan the QR code to answer our short survey about your experience and opinions on research within your role. The survey closes 30th September.

## Connect with your colleagues across NENC:

Our NHS Futures NENC Radiology research forum is a safe space designed to collaborate with Radiology colleagues across our region - Do you have a project idea or want to share best practice within your role?

Find us on NHS Futures by signing up here:  
[https://future.nhs.uk/NENC\\_Imaging/view?objectID=55288464](https://future.nhs.uk/NENC_Imaging/view?objectID=55288464)

 **FutureNHS**

Events across our region

## Exploring Digital Innovations within Health Tech

26th September – Radisson Blu Durham

Join us in attendance at this MedTech North event.

The morning session will focus on the use of AI in Medical Technology and Digital Health, followed by networking and interactive workshops in the afternoon.

Sign up here:

# Thank you

Thank you to everybody that we have connected with so far – it has been great meeting you all and discussing how we can support you and your trust with Radiology research.

**ROUTES TO RESEARCH**

We now have our own Radiology space on the ‘Getting Connected’ section of Routes to Research - an NIHR designed space for all Radiology staff to access training, find colleagues to connect with & guidance on how to get started with a research idea!

Check it out here:

<https://www.routestoresearch.co.uk/getting-connected/radiology/>
